Open University - Business & Management

82 posts / 210 listens

Our highly-respected business and management courses will allow you to develop and extend your knowledge, skills and practice

– whether you're looking for a one-off piece of professional updating or a qualification: 75 per cent of the FTSE 100 companies have sponsored OU students. We offer foundation degrees in Business, or Leadership & Management, and a major new Business Studies certificate. You can study accounting, economics, French, ICT, law, Spanish or systems practice as part of our innovative and well-respected Business Studies degree, or use our specialist courses in finance and accounting to provide a route into the accounting profession.

Head of Third Party Online Commissioning
The Open University
July 2013 - Present (1 year) | The Open University

My current role is in the Open Media Unit for the Open U University's third party educational platforms (YouTube, Amazon Kindle). Content is released as open courses, and is either based on original content produced for OU learners.

Key to my role at present is shaping the open course (M OpenLearn (www.open.edu/openlearn) and FutureLearn (university). In addition to this I am leading the badging project will:

- Align with the University's Journeys from Informal to Formal
- Help to provide accessible routes into the University for opportunity to participate in HE.
- Support The OU Charter... to promote the educational
- Deliver a high quality student experience in relation to development.

Badges will be released in the summer of 2014.
